Your trip to Philadelphia and Citizens Bank Park will offer many unique opportunities you can't miss before you head home. If you are in the mood for food, be sure to get the genuine article cheesesteak at Pat's King of Steaks on Passyunk Ave. Check out Xfinity Live, located just outside Citizens Bank Park in the complex. You'll find great drinks, food, and shows at Xfinity Live. It is the perfect stop after a game. Go to the Art Museum and run the steps, just to take the pic and post it to online. Philadelphia has numerous things that makes it a great city and it will take many visits for you to experience them all.
